Classwork

Prayer Balloons

Read Ecclesiastes 3:1-8. Talk about how we all go through many different times or seasons in our lives. Some that are easy some that are difficult. Prayer helps us through these times. On a small piece of paper write a prayer request. Fold it up small and put it in a balloon. With friends try to keep all the balloons in the air. Everyone chooses a balloon pops it and prays for the request inside.

Completes requirements for Seasons #1.

Bad to Good

Read Ecclesiastes 3:11 (focus on the first part). Talk about how God can take even a very bad situation and work it out for something good. In fact, the Bible says that God will make all things beautiful in His time! Think about some Bible stories where God turned a bad situation into something good (Examples: David, Mephibosheth, Esther, Daniel, Jesus' Death, and/or the persecution and trials of the early Christian Church). Draw a picture of something that God has made beautiful!
