## Classwork

Rainbow Diffusion Activity

The Holy Spirit works in each of our lives to change us. None of us are exactly the same. Each of us has a special blessing to share with others. Use Skittles candies to create a pattern on a white plate (don't use too many). Each color stands for different Fruits of the Spirit. Red (Love & Joy), Orange (Peace & Patience), Yellow (Kindness & Goodness), Green (Faithfulness & Gentleness), and Purple (Self-control). Pour some warm water in the middle of the plate and watch the colors spread. Tell about a time that you displayed or acted out your Fruits of the Spirit.

# Family Connection

**OVERVIEW:** Instead of shrinking back when afraid, courage means overcoming fear and doing what is right. When you know something is good and true, stand up with courage instead of hiding in fear. You never know how your boldness and bravery will inspire others to stand up for what is true, right, and just.

## Courage

### I WILL...

- Know the truth.
