Memory Work

Do you like it when Grandma or Grandpa get out old photo albums or scrapbooks to show you pictures of when they were little? Understanding events that happened in the past is important to making wise choices in the future. Memorize Joel 1:3 "Tell your children about it, Let your children tell their children, And their children another generation." Maybe someday you will use your scrapbook to tell your children about something you learned at Adventurer Club!

Completes the requirements for My Picture Book #4.

Classwork

Picture Book

Use the photos you brought and the supplied materials to make your own small to medium sized scrapbook of at least six pages. All the pages must have some form of decoration. Use captions to describe the pictures in your book.

Show & Tell

Show your picture book to someone and tell them about it. Just like we memorized in Joel 1:3 will pass on the knowledge that our life experiences bring to others!
