Family Connection

OVERVIEW: Sensitivity is carefully using my senses so I can better respond to the people and situations in my life.

A sensitive person listens carefully to those around them and looks for ways to help and encourage the people who need it. Stay aware of how other people are feeling and what is going on around you so you can show them you care!

Sensitivity

Definition: Carefully using my senses so I can better respond to the people and situations in my life

I WILL...

- Listen carefully to others.
- Watch their body language.
- Notice their tone of voice.
- Put myself in others' shoes.
- Show that I care.

The snowshoe rabbit changes color in response to changing amounts of sunlight.
