Thought for Today's Sermon

Misunderstanding is common to the human experience, but a misunderstanding of cosmic proportions is happening at the center of the great conflict between Good and evil. We find ourselves caught in the middle of it, and the stakes could not be higher.

Mission Statement

We accept the ministry given to us by God: to bring the healing power of Jesus' love to people, and to provide a nurturing place to build a friendship with Him.

Welcome

A heart-felt welcome to our church family and guests this Sabbath morning! May we all find in Christ our heart's desire, and in our song, our prayer, our listening and our fellowship, the transformation of His amazing grace.
